America 250th Celebration Banner Program

As the United States approaches its semiquincentennial in 2026, **Cobleskill Partnership Inc. (CPI)** is leading the charge to paint the town in patriotic colors. The **250th America Banner Program** is a flagship initiative designed to celebrate our local heritage and the national milestone through a vibrant visual display throughout the Village of Cobleskill.

The goal of this fundraiser is to line the streets of Cobleskill with custom-designed banners commemorating **America 250**. These banners will serve as a daily reminder of our community's resilience, its role in the American story, and our shared pride as we head into this historic anniversary.

By sponsoring a banner, you aren't just buying a decoration; you are investing in:

Beautification: Enhancing the aesthetic appeal of our downtown and main corridors.

Civic Pride: Showcasing Cobleskill's active participation in the national 250th-anniversary celebrations.

Economic Vitality: Creating an inviting atmosphere that encourages residents and visitors to explore our local shops and eateries.
